DOMESTIC VIOLENCE

Monday, September 25th 2017

5:30pm - 7:30 pm

Norman Regional Health System

Healthplex

8th floor, Innovation Studio

Objectives:

- Discuss types sign/symptoms of different types of abuse seen in clinical setting.
- Describe ways the abuser controls the abused person in a public setting.
- Communicate ways to overcome "barriers to safety" in a clinical setting.
