Creating a culture of excellence in perinatal care
Here's how:

CONSULTATIONS
Consultation with hospital medical, nursing, and administration staff regarding perinatal care practices. We provide education to and facilitate QI activities with perinatal care providers within Oklahoma birthing hospitals.

COURSES
Perinatal Continuation Education Program, AWHONN Intermediate Fetal Monitoring Course, AWHONN Advanced Fetal Monitoring Course, AWHONN Fetal Monitoring Instructor Course, OPNF Perinatal Nursing Boot Camp, and the S.T.A.B.L.E. Program

RESOURCES
Resources and updates through our website and social media. Subject matter experts at the national, state, and local levels

EVENTS
OPQIC Annual Summit & Quarterly Meetings

COLLABORATIONS
National: CDC, Council on Patient Safety in Women’s Health Care, HRSA-MCHB, March of Dimes, National Network of Perinatal Quality Collaboratives, NICHQ, and professional organizations
State: DHS, OCCHD, ODMHSAS, OHA, OHCA, OSDH, OUHSC, OU Medicine, Oklahoma Breastfeeding Resource Center, Oklahoma Family Network, and professional organizations
