Tips for Tableau Dashboard

- For the month of **JUNE 2023**, we met our total state goal of $>$ 95% of specimens collected between 24.01 – 48 hours old. Excellent work, team!!!
- For the month of **JUNE 2023**, we fell short of our UNSAT specimen goal of $<$ 2% of all specimens, coming in at 2.93%.
- Do YOU know how to check YOUR birth facility STATS? If you don't know who in your facility has Tableau access, or are having trouble accessing your data, please send email to newbornscreen@health.ok.gov with "Tableau Troubleshoot" in the subject line.
- The first step to solving a problem is identifying that there is one. Newborn Screening Follow Up Team is here to support you.
