

SUPPORT FOR PROVIDERS. CARE FOR OKLAHOMANS.

Oklahoma medical providers can connect — **FREE OF CHARGE** — with board-certified psychiatrists and licensed mental health professionals.

PEDIATRIC Mental Health | ADULT Psychiatry | ADDICTION Medicine | MATERNAL Mental Health

CONSULTATION

On-demand or scheduled consultations for medical providers seeking support for the mental health needs of their patients. We offer support for:

- Treatment planning
- Medication management
- Intervention options
- Diagnostic considerations
- Continuity of care
- Screening and assessment

REFERRAL RESOURCES

Providers gain tailored referral assistance, access to statewide and local mental health resources, family-friendly interventional materials and supports, including supplemental tools.

EDUCATION

Receive free mental health training through Project ECHO, House Calls and online modules with CME/CEU credits, practical tools and expert-led sessions tailored for providers and populations treated. SPARK members are available to deliver sessions at your workplace, virtually or in a hybrid format.
